

## 74% of Workers are Passive Job Seekers Ready to Consider a Move

A recent survey found that 74% of workers would consider a new job opportunity. That's a decided jump from previous numbers. The survey identified three primary reasons why workers would consider changing jobs:

1. The desire for a higher salary
2. A need for general change
3. The lack of adequate career and/or advancement opportunities

These are the three biggest obstacles to retaining your best employees. [Click here to learn what you can do to ensure your best employees don't jump ship.](#)
