## Changing Laws in Salary Disclosure

States implement new laws on a regular basis, and many have new bans on salary disclosure in 2018. The goal is to narrow the gender wage gap. If a woman is paid less than a man doing the same job and a new employer bases her pay on her prior salary, gender discrimination can be perpetuated, according to the backers of many of the new bills. So how can we adjust to these changing laws?

*Read on to discover how...*
